MEET OUR KEYNOTE SPEAKER

"My name is John Fawcett and I'm an Associate Pastor at Wake Forest Presbyterian Church. I grew up in Raleigh and went on presbytery retreats in high school and formed a

strong sense of my faith during those "mountaintop experiences." I am a big believer in practical Christianity in that the living of our faith beyond the walls of a sanctuary are vitally important for our lives as believers.

I love music, especially bluegrass and rock and roll. The Beatles are my favorite band. I think artistic expression is one of the great ways we can connect with God, our world, and our spirituali-

ty. For fun I love to read theology (sounds so boring, right?!), play music, and play ultimate Frisbee. I have a wife named Madeline and we've been married two and a half years and we met at campus ministry at N.C. State. The last time I was at Willow Run was as a high school participant and so it's great to come back as your keynoter! I look forward to our weekend together!"
