# The Presbytery of New Hope Personnel Policy Guidelines

**Revised February 2013** 

## **Welcome to New Hope**

You are joining a community of faith called into being by God's grace in Jesus Christ. As such, we are a community of people known by our actions. The Presbytery of New Hope is a living testimony that the God who creates life, frees those in bondage, forgives sin, reconciles brokenness, makes all things new, is still at work in the world.

As an employee of New Hope, you will be asked to partner with other staff to equip our ministers and our churches to carry forth the great ends of the church:

- The proclamation of the gospel for the salvation of humankind;
- The shelter, nurture, and spiritual fellowship of the children of God;
- The maintenance of divine worship;
- The preservation of the truth;
- The promotion of social righteousness;
- The exhibition of the Kingdom of Heaven to the world.

This policy has been prepared to acquaint you with your benefits and responsibilities as an employee of the Presbytery of New Hope. We welcome you into our community and to the good work God has given us in this time and place.

#### **Study Leave**

Clergy employees may take up to two weeks of study leave per year with pay for continuing education, unless otherwise stated in their terms of call or terms of employment. Study leave plans must be approved by the Personnel Committee.

Study leave and study leave allowance may be accumulated for up to six (6) weeks with the approval of the Personnel Committee.

#### **Medical Leave of Absence**

When earned sick leave and vacation time are exhausted, a regular employee may take medical leave of absence in accordance with the Family Medical Leave Act.

#### **Sabbatical Policy**

The purpose of the sabbatical is to permit full-time clergy staff to periodically have the opportunity for extended study, renewal, and professional growth beyond that which is afforded by annual study leave and vacation. They are eligible for a three-month sabbatical after five years of service. Such sabbatical time replaces any study leave for that year. Salary and other benefits remain unchanged.

The application and review process begins when the full-time exempt clergy staff member submits a written request to the Personnel Committee, which may assist in its preparation. The submission occurs before February of the year for which the sabbatical is taken and indicates how the time away will help in his/her continuing service. It includes a detailed request for travel and tuition funding if needed. Finally, it includes a proposal for staffing to meet the ongoing needs of the Presbytery of New Hope without undue burden on the remaining staff, as well as the estimated financial implications of such plans. Once approved by the Personnel Committee, the sabbatical is scheduled.

On return from sabbatical, a written report of the experience shall be submitted to the Personnel Committee.

### **Sick Leave**

Sick leave is intended for use for personal illness of the employee or immediate family member. Sick leave is earned at the rate of one (1) day per month, or twelve (12) days per year. Sick leave is cumulative up to 120 days. Sick leave for part-time employees will be pro-rated based on hours worked.

Sick leave may be used for doctor, dentist, and other healthcare or mental-healthcare appointments. However, non-exempt employees may attend healthcare appointments up to two (2) hours in any one week without charging the time to sick leave. Generally, exempt employees are not charged sick leave for attending healthcare appointments.

Upon termination of employment, there shall be no monetary compensation for unused medical leave time.

When taking sick leave, the employee shall notify the supervisor.

### Parental Leave

Full-time employees are entitled to parental leave in the period preceding and following the birth, adoption, or awarding of guardianship of a child as specified in this section.

Parental leave may be granted for up to twenty-six (26) consecutive weeks. The first ten (10) weeks of parental leave will be at full pay. The remaining parental leave will be leave without pay, except that the employee may use accrued annual sick leave to supplement the unpaid leave period.

### Jury Duty

It is understood that all employees will serve on jury duty as summoned by the court system, with normal compensation from the presbytery. In turn, the employee is expected to report for work if excused early by the court.

#### **Bereavement Leave**

When a death occurs in the immediate family of an employee, the employee shall be entitled to a fiveday leave of absence with pay to arrange for and/or attend the funeral. For this purpose, a "relative" is defined as any person related by blood or marriage or whose relationship with you is similar to those relationships that are by blood or marriage.

Consideration shall be given for additional time off to be taken if the situation warrants. A request for additional leave shall be made through the supervisor and approved by the Personnel Committee.

Additional leave may be with pay or without pay, and/or may be charged to vacation or sick leave balances.

### **Military leave**

Military leave is a leave of absence, without pay, for required military service. The Presbytery of New Hope complies with applicable state and federal law concerning leaves for military service.

### **Leave Without Pay**

It is the policy of the Presbytery of New Hope to provide leave without pay, when work situations allow, in those special circumstances which may require employees to take time away from work after paid leave has been exhausted. Such leave may be in compliance with the Family Medical Leave Act, or may be related to other special circumstances. Such requests require approval by the executive presbyter.

Upon the employee's return from leave without pay, every effort shall be made to place the employee in a similar position.

### **Death in Service**

In the event of the death of a member of the staff, the salary of that person will be continued for four (4) weeks from the date on which the death occurs, payable to the beneficiary. Death benefits are also provided through the pension and benefits plan of the Presbyterian Church (USA).

### **Reduction in Staff**

If the Presbytery of New Hope, because of a fundamental change in long-range outlook, is required to make a reduction in work force, the decisions and procedures by which staff members will be released will be fairly and consistently applied. Reduction of force will be accomplished in a manner that preserves overall organizational effectiveness.

If a similar position calling for similar qualifications is reinstated within a period of two years, the individual who was previously employed in the position will be given first opportunity for employment in that position.

#### Severance

If there is a reduction in force, severance shall be paid to full-time exempt and non-exempt employees in accord with the terms set forth below, provided a release prepared by the Presbytery of New Hope is first executed by the full-time exempt and non-exempt employees:

• <u>Exempt Employees</u>. In addition to the right to receive the notice period pay and any unused vacation pay, a full-time exempt employee who executes a release prepared by the Presbytery of New Hope will receive in consideration thereof one (1) week's pay for each full year of employment, provided that the severance payments shall be no more than eight (8) months. This severance pay shall be forfeited if the full-time exempt employee secures employment elsewhere during the time in which he or she would have otherwise been entitled to receive severance pay hereunder. Unless otherwise agreed to by the employee and the Presbytery of New Hope, the pay shall be paid on what would have been the regularly scheduled paydays of

employees and shall be subject to all tax withholdings required by law, as well as any withholdings authorized by employee.

 <u>Non-exempt Employees</u>. In addition to the right to receive the notice period pay set forth, and unused vacation pay, a full-time non-exempt employee who executes a release prepared by the Presbytery of New Hope will receive in consideration thereof one (1) week's pay for each full year of employment. Provided, however, that the maximum severance and notice period payments that may be received by the full-time non-exempt employee shall be no more than six (6) months. This severance pay shall be forfeited if the full-time non-exempt employee secures employment elsewhere during this time in which he or she would have otherwise been entitled to receive severance pay hereunder. Unless otherwise agreed to by the employee and the Presbytery of New Hope, the pay shall be paid on what would have been the regularly scheduled paydays of employees and shall be subject to all tax withholdings required by law, as well as any withholdings authorized by employee.

Any severance pay for part-time employees, including the necessity of the part-time employees to execute a release in exchange for any such severance paid, will be determined by the Personnel Committee.

### **Standards of Conduct**

It is the policy of the Presbytery of New Hope to maintain high standards of integrity, honesty, impartiality, industry, and conduct by employees.

### **Conflict of Interest**

Avoidance of conflicts of interest, whether real or apparent, by all staff is indispensable to the maintenance of these standards. A conflict of interest arises when an employee becomes involved in a business or activity that might conflict with the best interests of the Presbytery of New Hope or in any way interferes with the employee's ability to perform her/his responsibilities. Employees who hold other paid positions or are engaged with other clients on a contractual basis should ensure that such outside employment or contractual arrangement shall not interfere with the performance of their duties or produce a conflict of interest in the pursuit of those duties. Any questions regarding this should be reviewed with the executive presbyter and resolved by the Personnel Committee.

### **Personal Conduct**

To provide a productive work environment, the Presbytery of New Hope expects you to adhere to the following Personal Conduct policy to protect the interests and safety of all employees and the organization. It is not possible to list all forms of behavior that are considered unacceptable in the workplace. The following represent examples of behavior that may result in disciplinary action, up to and including dismissal for misconduct:

- Theft or inappropriate removal or possession of employee or Presbytery of New Hope property;

### **Personal Public Witness**

### **Representation of Position of Presbyterian Church**

All persons employed by the Presbytery of New Hope, when they are working as or presenting themselves as employees of the Presbytery of New Hope, are expected to give full and fair representation of the position of the Presbyterian Church (USA) in matters of policy, social witness statements, or theological or doctrinal positions. However, the possibility of personal dissent is not precluded by employment with the Presbytery of New Hope and is a reasonable expression of freedom of conscience.

### **Personal Public Witness Guidelines**

Because public actions or expressions of personal belief may affect not only the work environment but also the Presbytery of New Hope, employee personal public witness is subject to the following guidelines:

- When making a personal public statement, an employee shall make it clear that s/he is speaking for her/himself only and not speaking for the Presbytery of New Hope or the Presbyterian Church (USA);
- When making a personal public witness, an employee shall not make reference to his or her employee status. If questioned, the employee may acknowledge employee status without using that status to make a claim of authority. Accordingly, it is not permissible for an employee making a personal statement to use professional stationery, claim expertise by virtue of employment in the Presbytery of New Hope, or hold press conferences on Presbytery of New Hope property;
- It is permissible, however, for persons employed by the Presbytery of New Hope to identify their personal church affiliation or membership while making a personal public witness;
- Employees must inform their supervisor, when appropriate, of their personal public witness or dissent;

• In the event that an employee feels that s/he cannot carry out necessary job functions for reasons of conscience, the employee may request a change of assignment, modification of the assignment, or may exercise his/her right to resign the position.

### **Harassment Policy**

The Presbytery of New Hope is committed to providing a work environment that is free of discrimination. The Presbytery of New Hope does not authorize and will not tolerate any form of harassment based on the following factors: race, color, sex, national origin, age, disability, religion, or any other characteristic protected by the law. This policy applies to all levels of employees and to non-employees including contractors, temporary staff, vendors, suppliers, guests, etc. who harass employees or are subject to harassment by the Presbytery of New Hope employees, both on and away from Presbytery of New Hope property.

It is important for employees to understand that jokes, stories, cartoons, nicknames, pictures, inappropriate staring, comments and other factors including but not limited to references about appearance may be offensive to others. Harassment is further defined as anything that would make a reasonable person experiencing such behavior feel uncomfortable or would interfere with the person's work performance.

Any sexual contact between a supervisor and supervisee, or between an employee who is in a position that is senior to the other party, will be deemed to be sexual harassment by the senior member of the staff.

### **Sexual Harassment**

Sexual harassment of employees by supervisors, co-workers, or vendors is prohibited. Harassment includes unwelcome sexual advances, requests for sexual favors and other verbal, visual, or physical conduct of a sexual nature when:

- Submission to the conduct is made either explicitly or implicitly a condition of employment;
- Submission to or rejection of the conduct is used as the basis for an employment decision affecting the harassed employee;
- The harassment has the purpose or effect of interfering with an employee's work performance or creates an intimidating, hostile, or offensive work environment.

### **Other Harassment**

Harassment based on race, color, national origin, age, disability, or religion warrants specific mention and is also strictly prohibited. Examples of the type of behavior that will be considered harassment based on these characteristics include (but are not limited to):

- Jokes or negative comments about these characteristics;
- Displays of reading materials, pictures containing negative materials about these characteristics;
- Vandalism or "pranks" aimed at these characteristics;
- Name-calling based on these characteristics;
- Punishing an employee for complaining of these types of harassment.

### **Response to Harassment**

Every employee has a duty to IMMEDIATELY report harassment so the Presbytery of New Hope can try to resolve the situation. Employees must report harassment if they feel they have been harassed, observe someone else being harassed, or receive a report of someone else being harassed. The employee should report the facts of the incident(s) immediately, without fear of reprisal, to a supervisor, the executive presbyter, or the chair of the Personnel Committee. In determining whether the alleged conduct constitutes unlawful harassment, the totality of the circumstances, such as the nature of the conduct and the context in which the alleged incident occurred, shall be investigated.

### Procedure

In order to deal promptly, fairly, and as confidentially as possible with alleged incidents of harassment, the following steps shall be taken:

On receipt of a complaint, the chair of the Personnel Committee shall appoint three (3) members to serve as a Special Committee on Harassment. The formation of this committee shall be in accordance with the *Book of Order* section on diversity of representation.

- Within five (5) working days, the employee bringing the complaint regarding alleged harassment shall speak confidentially with the Special Committee on Harassment. This committee shall investigate the complaint in a thorough and proper manner. If, after investigation, the Special Committee finds no probable grounds that an actual incident of harassment has occurred, it shall so advise the person making the complaint, and the matter shall be closed. If, after investigation, there is a genuine indication that an incident of harassment has taken place, the Personnel Committee, preferably with the permission of the person making the complaint (but not required), shall adopt one or more of the following procedures to resolve the situation:
  - 1. formal grievance procedures outlined in Grievance Procedure of this policy;
  - 2. development and implementation of a program of counseling;
  - 3. up to and including termination of employment of the offending employee.

The Committee on Ministry must be informed when a minister is involved. Minister staff members are accountable to the Harassment Policy (of the Committee on Ministry); all other employees are accountable to this policy.

### **Alcohol and Drug Abuse**

It is the policy of the Presbytery of New Hope to prohibit the use, possession, manufacture, or distribution of alcohol and illegal drugs in all work locations and to comply with the provision of the federal Drug-Free Workplace Act. The Presbytery of New Hope will attempt to offer assistance to employees whose work performance, behavior, and/or attendance is impaired by alcohol and/or drug abuse, or who are engaged in the use of illegal drugs. However, if a manager or supervisor has reason to believe that an employee is under the influence of alcohol or illegal drugs during work hours, that employee may be subject to disciplinary action.

All situations involving alcohol or substance abuse will be handled in confidence. While the Presbytery of New Hope is willing to offer assistance, the employee must first recognize that a problem exists and decide to accept treatment.

The Presbytery of New Hope may terminate any employee whose job performance, behavior, or attendance is unsatisfactory due to alcohol or drug abuse or the use of illegal drugs, and who makes no attempt to or does not successfully complete rehabilitation.

The elements used in the Sacrament of the Lord's Supper may be considered an exception, and shall be treated in accordance with the *Book of Order*.

### **Use of Tobacco Products**

It is the policy of the Presbytery of New Hope to prohibit use of any tobacco products in the work place.

### Weapons in the Workplace

It is the policy of the Presbytery of New Hope to prohibit the possession, use, or display of dangerous or unauthorized items such as firearms, explosives, or any type of weapon on Presbytery of New Hope premises.

Violation of this policy may result in immediate dismissal.

If any employee observes or suspects for any reason that an employee has a weapon, immediately contact your supervisor, manager, or personnel representative.

### Workplace Safety

The Presbytery of New Hope is committed to providing a safe work environment for all employees and visitors. This is a joint responsibility of the Presbytery of New Hope and its employees. The Presbytery of New Hope relies on the alertness and personal commitment of all employees to exercise caution in all work activities and maintain a safe and healthy work environment.

The Presbytery of New Hope makes every effort to comply with federal and state occupational health and safety laws. In an effort to prevent accidents and loss, the following procedures have been established:

Employees are asked to:

- Exercise maximum care and good judgment at all times to prevent accidents, injuries and job-related illnesses;
- Seek first aid for all injuries or job-related illnesses, regardless of how minor the injury or job-related illness might appear;
- Immediately report all injuries or job-related illnesses to a supervisor or manager and supply details about how the injury or illness occurred;
- Report unsafe conditions, equipment, or practices to a supervisor, manager, or personnel representative;
- Contact your personnel representative to initiate a Worker's Compensation claim.

<u>Note</u>: In the event of emergency, coworkers and/or management should not transport an employee to a hospital or doctor's office. If the employee needs emergency care, contact the ambulance or emergency services.

### **Workplace Emergency Evacuation**

To insure safety in case of a fire or other emergency, it is imperative to follow emergency evacuation procedures defined by your local office. Employees should be aware of and adhere to emergency evacuation procedures to facilitate the rapid evacuation of company buildings and to protect all employees.

### **Complaints and Grievances**

It is the policy of the Presbytery of New Hope to make every effort to deal promptly and fairly with all complaints and grievances, the aim being the resolution of the situation which has given rise to the complaint or grievance.

### Definition

For the purpose of this policy, a complaint or grievance is an alleged violation of an approved personnel policy or practice, an applicable state or federal law not adequately dealt with in these policies or practices, or an unresolved dispute between members of the staff (with the exclusion of sexual harassment complaints, which are dealt with in the Harassment Policy Section).

When a dispute arises, all employees are encouraged to exercise good communication skills. Effective communication includes speaking and listening, actively sharing information, and communicating honestly, openly, and at the right time. Employees are also encouraged to resolve disputes informally. To do so, employees should discuss the matter with their supervisor. In situations where the dispute involves the supervisor, the employee should discuss the situation with the executive presbyter or a member of the Personnel Committee. If the dispute is with a co-worker, the employee is encouraged to resolve the issue with the individual involved.

### **Grievance Procedure**

If informal methods are not successful in resolving the dispute, the complaining party may begin a formal procedure which shall include the following steps:

- Within thirty (30) days of the first consultation with the executive presbyter or the Personnel Committee member, the complaining party shall present the grievance in writing to the Personnel Committee.
- The Personnel Committee shall respond in writing to the grievance within seven (7) days of its receipt.
- If the complaining party feels the matter has not been resolved in a satisfactory manner, s/he may request a grievance hearing before the Personnel Committee. Request for such a hearing shall be submitted to the chair of the Personnel Committee. The request shall be in writing and include the grievance, the dates of the previous steps taken, and results from previous determinations. At the discretion of the chair of the Personnel Committee, one of the following processes for hearing the grievance shall be taken:
  - a) The full committee may be called to hear the grievance;
  - b) A review board of not fewer than three (3) persons from the Personnel Committee shall be called to hear the grievance;
  - c) In case of a dispute between employees, the use of an outside, impartial mediator to aid in resolving the dispute may be used.

• In each of the above, the complaining party is allowed to have an advocate in attendance.

A written response to the grievance shall be given to the complaining party within fifteen (15) days of the final hearing of the grievance. The decision of the Personnel Committee shall be binding upon the complaining party and all persons concerned. All proceedings and subsequent actions will be documented. In the case of clergy employees, the Committee on Ministry becomes an equal party in the grievance process.

#### **Electronic Communications Policy**

The Presbytery of New Hope provides access to electronic communications, including the Internet, electronic mail, and voice mail, to help employees do their job and stay well-informed. The systems which provide that access represent a considerable and costly commitment of resources to telecommunications, networking, software, storage, etc., and are intended to facilitate the operation of the Presbytery of New Hope. This policy applies to all employees and contractors who are granted access to any of the Presbytery of New Hope's communication systems - electronic mail, voice mail, the Internet, and the computer network within which these systems operate.

Limited personal use of the Internet and electronic mail will not be considered unreasonable. However, employees are expected to act honestly and appropriately with regard to personal usage. That includes respecting copyrights, software licensing rules, property rights, and privacy of others. Any personal use of the Internet, electronic mail, or telephones should not interfere with work responsibilities.

Excessive or inappropriate use of electronic communications is unacceptable whether during business hours or during the employee's own time. Examples of inappropriate behavior includes composing, accessing, storing, sending and/or circulating any communications which reasonably could cause another employee to feel offended, embarrassed, or harassed including any material relating to race, national origin, sex, sexual preference, age, or disability. Accessing Internet sites that contain sexually explicit materials, whether during business hours or during the employee's own time, is strictly prohibited.

Electronic mail messages are the property of the Presbytery of New Hope and should not be considered personal or private in nature. Messages are subject to retrieval even after deletion. Like any form of business correspondence, good judgment should be exercised in sending messages that might disclose sensitive information or be considered offensive, disruptive, or damaging to the Presbytery of New Hope. Any such actions are a violation of the Presbytery of New Hope policy and are subject to appropriate disciplinary action up to and including termination of employment or contract for services.

The Internet gives each individual Internet user an immense and unprecedented reach to distribute organizational messages and disclose operations and business. Because of this power, we must take special care to maintain the clarity, consistency, and integrity of the Presbytery of New Hope's image and posture. Anything disseminated by the Internet by an employee could be construed as representing the presbytery's corporate posture.
